

# Covid-19 Safety Charter

**We ask that Festival venues commit to this charter.**

**This means they agree to,**

**Follow government cleaning advice for non healthcare environments. Currently this means,**

- **Ensuring thorough cleaning of premises, especially of hard surfaces, before and between ILF sessions and using disinfectant / sanitiser**
- **Providing hand sanitiser throughout the venue, additional to provision of soap and paper towels in cloakrooms**

**They also agree to follow current government guidance on the following.**

- **Appropriate distancing between seats**
- **Establishment of a safe route around the building with clear explanatory signage**
- **Removal of paper leaflets and booklets from display**
- **Provision of good ventilation in the building**
- **The wearing indoors of appropriate face coverings and social distancing when moving around the building.**

**We also ask audiences attending ILF events to commit to this charter.**

**Currently this means,**

- **Wearing appropriate face coverings indoors and ensuring social distancing when moving around the building**
- **Using the hand sanitiser or soap and water provided**
- **Avoiding touching or handling books on display**
- **Not attending a booked session if they have Covid symptoms or positive test results.**

**Our charter will be updated as future government guidance about protection from the virus is published.**
